SPECIAL REGULATIONS & CONDITIONS OF ENTRY

1. The sale will be held subject to the Auction Rules, Regulations and Bye Laws of Lincoln Red Cattle Society and all animals subject to the Fertility Guarantee as recommended by the N.B.A.
- 1a. Full copies of the Regulations etc. can be obtained from the Society or Auctioneers.
2. Entry is confined to fully paid up members of the Lincoln Red Cattle Society.
3. **ELIGIBILITY**
Animals forward must be Registered, Polled and conform to the Breed Standards in Volume 119 Herd Book. Bulls must be entered in the Main Section of the Herd Book and Females must be a minimum of "BDBP" Registered Lincoln Red. Provided they comply with the above they are eligible for entry in the following categories:-
4. Substitutes will not be allowed once the Sale Catalogue has been printed. No entry fees will be returned after the catalogue is printed.
5. Any females offered for sale from which embryos have been taken must be declared on the entry form and subsequently in the catalogue.
6. Any bulls offered in the sale from which semen has been retained must be declared on the entry form and subsequently in the catalogue.

7. BULLS

Born between 18 August 2017 and 18 March 2019 (min 13 months/max 2 years and 7 months).

All bulls must be entered for both Show and Sale and must have a nose ring and be haltered.

Vendors are advised to have record of weights at birth, 200 days, 400 days and a check weight. Other EBV information may be entered in the catalogue.

Bulls to comply with NBA warranty conditions and all bulls must be fertility tested and/or be insured against infertility.

It is Compulsory that bulls are Sire Verified; SNPs Profiled; Polled & Myostatin Status Tested in time for entry into the Sale Catalogue

All bulls forward will be inspected on the sale premises by a qualified Veterinary Surgeon.

- o Inspection to be carried out between 4pm & 6pm on Friday 17th April
- o Checks to be done on testicles; locomotion; teeth & eyes and weights will be recorded at time of inspection.

8. FEMALES

Adult owner bred stock with calf at foot and/or in calf, in-calf heifers, maiden heifers and non-homebred females.

In-calf stock to be **guaranteed 'in-calf'** in accordance with NBA rules.

Animals in calf or with calves at foot must comply with legislation regarding transportation of pregnant and young stock. Those in the last 10% of their expected gestation period and those which have calved within 7 days of the sale should not be entered/forward.

Heifers, maiden or in-calf, may be entered for **Show & Sale** or **Sale only**. Vendors are asked to mark their sale entry accordingly and accurately.

Show Classes will be determined by numbers entered and stock for show **must** be haltered.

Each Vendor may enter ONE Pen of TWO Heifers for the "Best Pair of Heifers" entered in the Sale only.

Animals forward may be inspected prior to sale by a qualified Veterinary Surgeon; this decision will be at the discretion of the Chief Steward.

9. BREED STANDARDS & PRESENTATION

All animals entered **must** comply with the Breed Standards as outlined in Volume 119 Herd Book.

It is in the interests of vendors to ensure animals forward at sale are presented in **clean condition** and **to their best advantage**.

Any animals lacking size and condition will be put at the end of the Sale.

Show animals should be properly halter trained.

Animals not in compliance will be referred to the **Chief Steward** who will take appropriate action.

10. ORDER OF SALE

Catalogue order for other than show animals will be determined by a draw for each category by owner group.

Bulls and Show females to be sold through the ring on halter. Other females may be sold on halter at the vendor's discretion.

Where an animal is not sold it may be re-auctioned at the end of the sale at the auctioneer's discretion.

11. **VENDORS RESPONSIBILITY**
Vendors will remain fully responsible for the care and welfare of their animals up to the point of sale and must make adequate arrangements if they cannot be present at the sale.
Details of stock and information provided are the sole responsibility of the vendor and not the Lincoln Red Cattle Society.
Vendors must comply with all legislation regarding **movement** and **welfare** of animals.
12. A limited amount of straw will be provided, vendors wishing to have extra straw should bring it with them together with fodder/feedstuffs, buckets etc.
13. The Society Levy of 2% + VAT will be deducted from the net sale price (after auctioneers' commission) of each pedigree animal and paid to the Society. A £12/animal transfer fee will be collected from the Purchaser on behalf of the Society on the day of Sale.
14. All cattle will be sold in guineas with a commission rate of 5%.
15. Delivery of stock to the sale premises
Friday, 17th April 3 p.m. – 5 p.m. (Includes ALL Bulls)
Saturday, 18th April 6 a.m. – 8 a.m.
16. TB Pre-Movement Testing
As from 1st March 2007, all cattle aged 42 days and over are required to be TB tested (and be negative) within 60 days of movement off the farm; that is if you are in 1 or 2 year testing period. If you are in an area where testing is less frequent, i.e. over 2 year testing, you do not have to be pre-movement tested. **ALL CATTLE FROM WALES MUST BE PRE-MOVEMENT TESTED.** It is strongly recommended that animals from 4 year testing areas are tested if their last test was not within 12 months of sale date.
