SOCIETY HERD HEALTH DECLARATION

- Vendors are encouraged to belong to a CHeCS approved health scheme and details will be listed in the catalogue. Members must apply to their Health Scheme Provider for an animal health declaration card prior to the sale and send a copy to the Office.
- Animals forward at Society sales must be from herds which are accredited free of **Bovine Viral Disease (BVD)**, **Infectious Bovine Rhinotracheitis (IBR)** and **Leptospirosis (or Herd Monitored free regarding Lepto)**, or be individually tested free of these diseases not more than 3 months prior to sale. **Accreditation certificates or test results to be submitted prior to Sale date.**
- **BVD** - Animals being tested for BVD must be tested for both **Antibodies and Antigens**. Where vaccines are used this **must** be post clear test or your Herd must be CHeCS Accredited Free of BVD.
- **IBR** - When vaccinating for IBR, Marker Vaccine **must** be used.
- **Leptospirosis** - When using Lepto Vaccines this **must** be post clear test.
- **ALL VACCINATION DETAILS MUST BE GIVEN ON THE HEALTH DECLARATION FORM.**
- **Johnes** - Vendors who are in a CHeCS scheme **must** indicate their risk category re **Johnes** disease on the Health Declaration form. Animals which are not from CHeCS herds must be tested **Johnes free** not more than 3 months prior to sale and results submitted **prior to Sale date**.
- **Neospora** - it is strongly recommended that females should be screened for Neospora.
- All animals must be free from any contagious disease such as warts, ringworm, lice and mange. Where animals still exhibit signs following treatment a veterinary certificate is required.
